

KOMPUTERLOVE RECYCLING PROFILE

We have been servicing our community Since 2010 and incorporated in May of 2017. As a computer technician by trade, I was able to see first-hand, the long-term effects caused by increased consumption of portable electronic devices. The effort and ability to reduce this monumental pile-up is where we thrive through education and common practice. Our services include:

Computer Operator Education and Training
Computer Literacy and Terminology
Operating System Terminology
System Components
Hardware Assembly and Teardown
Computer Installation
Diagnostic Testing
Data Entry
Virus definition and Identification
E-Waste pickup and removal
Hard drive shredding/data wiping

Quality Control Measures: We provide a Certificate of Destruction to each client upon completion of scanning and indexing any hard drives found. Our company commits to ensuring total data destruction via professional disk wiping or shredding.

Conclusion: Thank you for considering Komputerlove Recycling LLC for potential opportunities. Under the dedicated leadership of Jason A. Dawkins, Business Owner/Operator, we bring over 12 years of experience in the IT field. We are committed to delivering high-quality recycling services, computer training, and actively engaging in initiatives that contribute to the well-being of our community and the environment.
